BE GOOD - DO GOOD

THE BRIGHT SIDE

2023

THE HANDMADE EXPERIENCE

The beauty of handcraft jewelry is one that is both physical and spiritual. Every thread, bead, and stroke creates a wave of energy that is transmitted from artisal to the jewelry.

THE BRIGHT SIDE is the youth in our soul that likes to have fun, take risks, and designed to stand out.

Manik Widari
MANAGING DIRECTOR

The background of the image is a distorted checkerboard pattern. The squares are in two shades: a light, sky-blue and a darker, forest-green. The pattern is warped, with the lines curving and bending, creating a sense of movement and depth. The text is centered horizontally and vertically over this pattern.
